Subject: Protecting San Mateo's coast

Hello!

I know that there are a number of proposals up for consideration for protecting our coast, and I want to go on record as supporting Proposal 4.

My understanding is that it will create a marine reserve from Pillar Point to Pedro Point and Shelter Cove and also protect the area between San Gregorio to Tunitas Creek. This seems to be the most comprehensive plan and would also provide basking areas for seals and a wilderness area for the public.

Proposal 4 is a solid choice in my opinion.

Sincerely,
